FORM 2: SUMMARY OF THE FILE DOCUMENT

No.	DOCUMENT	YES	NO
<i>Administrative file</i>			
<i>Compliance of the service provider with the legal and regulatory provisions governing access to public procurement</i>			
	Stamped application on the letterhead of company addressed to the Director General of the Public Contracts Regulatory Agency		
	Certificate of Non Exclusion (CNE) from public contracts issued by ARMP;		
	Clearance certificate issued by the National Social Insurance Fund (CNPS) indicating the the payroll reported by the service provider over the last three financial years or since the creation of the engineering company or consulting firm if the latter was created less than three years ago;		
	Proof of solvency of less than ninety (90) days issued by the Court Registry of the place where the candidate's head office is located;		
	Debt clearance certificate, attesting that the taxpayer is in good standing with the Tax Administration;		
	Copies of the Statistical and Tax Declaration of the last three (3) years or since the creation of the engineering company or consulting firm, if the latter was created less than three years ago;		
	Location plan of the company signed by its manager with pictures (external view) of the head office building attached.		
<i>Administrative and technical structures as well as share capital:</i>			
	True certified copy of the certificate of registration in the Trade Register		
	Certificate(s) of ownership and a receipt indicating payment of the property tax or the lease contract(s)		
<i>Technical file</i>			
<i>Personal technical equipment and logistics related to the service provider's sector of activity:</i>			
	List of personal technical equipment and logistics with the corresponding supporting documents		
	Descriptive sheet of the technical and administrative and sites (number and surface area of offices at the head office and of branches, if any)		
<i>Experience and references of services provided in Cameroon:</i>			
	Detailed list of services performed by the company in the given sector over the last ten (10) years		
	Official reports of provisional and/or final acceptance;		
	Copies of the essential pages (those relating to the subject, amount and identification of the contractors) of contracts or agreements executed in the "energy" sub-sector		
<i>Qualification and experience of permanent staff</i>			
	List of permanent supervisory and management staff stating their professional skills in the given domain, as well as the required supporting documents		
<i>Level of compliance with Quality, Hygiene, Safety and the Environment (QHSE) standards:</i>			
	Curriculum vitae of the QHSE manager		
	List of QHSE technical equipment and logistics		
<i>Level of compliance with the labour legislation in force in Cameroon:</i>			
	Official report of the election of staff representatives		
	Third party liability insurance of the company

2.2- CLASSIFICATION CRITERIA

2.2-1-ELECTRICITY

2.2.1-1- INTERNAL ELECTRICAL INSTALLATIONS

CATEGORY	CRITERIA	SUB-CRITERIA		YES	NO
A	1. Activity sector	1.1	<i>All internal electrification installation works whose amount is higher than ten (10) (10,000,000,000) CFA F</i>		
	2. Administrative situation (cf. CNPS document)	2.1. Number of employees	More than 200 employees		
		2.2. Payroll	At least equal to 10% of the average turnover for the past three (3) years		
	3. Turnover	3.1	Annual turnover before tax higher than ten (10) billion (10,000,000,000) CFA F		
	4. Permanent technical staff	4.1	1 Electrical Engineer or equivalent (GCE A Level +5) + 8 years or (A Level + 3) +10 years of experience		
		4.2	1 Civil Engineer or equivalent (GCE A Level +5)+8 years of experience or (GCE A Level +3) + 10 years of experience		
		4.3	1 Senior Electrical Technician or equivalent (GCE A Level + 2) + 7 years of experience		
		4.4	1 Senior Civil Engineering Technician specialised in surveys or Higher Technician in surveys (GCE A Level + 2) + 7 years of experience or equivalent		
	5. Personal technical equipment and logistics	5.1	1 Lifting device (truck crane bucket truck.)		
		5.2	2 Cable tensioners (frog)		
		5.3	2 Cable pullers (pulls hard)		
		5.4	4 Tellurometers		
		5.5	3 GPS		
		5.6	2 Theodolites		
		5.7	1 Grounding device in short circuit		
		5.8	1 generator		
		5.9	4 crimping pliers		
		5.10	6 Hand drills		
		5.11	4 Mobile hoists		
		5.12	4 soldering stations		
		5.13	6 Electric grinding wheels		
		5.14	2 Air compressor		
		5.15	2 Manual Compactors		
		5.16	6 Decametres		
		5.17	1 Tracer Table		
		5.18	4 Liaison vehicles (4x4)		
		5.19	2 Concrete vibrators		
		5.20	2 Backhoe Loaders		
		5.21	Office surface area greater than or equal to 400 square metres		

CATEGORY	CRITERIA	SUB-CRITERIA		YES	NO
A	6. Level of compliance with QHSE standards	6.1 Profile of staff	1 QHSE manager (A Level+ 3 in quality/hygiene/safety/environment)		
		6.2 Equipment and logistics	10 sets of personal protective equipment (helmets, hearing protection helmets, respirators, jumpers, safety shoes, gloves)		
			1 set of collective protection equipment (triangle, cones, marking tape)		
			1 Internal Infirmary or an existing agreement with a medical centre or a contract with an occupational medical doctor		
		6.3. Organisational set up	Existence of a hygiene and safety committee that is operational and regulation-compliant		
			Holding of a register of medical checks		
	7- Level of respect of the labour legislation in force in Cameroon	7.1	Third party liability insurance		
		7.2	Official report of the election of staff representative		
	8. Maximum amount of contracts for which the company may bid	8.1 Threshold	Unlimited		
	9. Experience in the provisions of the services concerned	9.1	Reference for a similar contract worth at least 6 billion CFA F or two (2) contracts with a cumulative value of not less than 8 billion CFA F within the last ten (10) years		
B	1. Activity sector	1.1	All interior electrical installations works whose market value is more than one billion (1,000,000,000) CFA F		
	2. Administrative situation (cf. CNPS document)	2.1. Number of employees	Between one hundred and one (101) and two hundred (200) employees		
		2.2 Payroll	At least equal to 10% of the average turnover of the last three (3) years		
	3. Turnover	3.1	Annual turnover before taxes exceeding one billion (1,000,000,000) CFA F and not exceeding ten billion (10,000,000,000) CFA F		
	4. Permanent technical staff	4.1	1 Electrical Engineer (GCE A Level +5) + 6 years or (GCE A Level + 3) +8 years of experience or equivalent		
		4.2	1 Civil Engineer or equivalent (GCE A Level + 5) +6 years or (GCE Level+3) + 8 years of experience		
		4.3	1 Senior Electrical Engineering Technician or equivalent (GCE A Level + 2) + 5 years of experience		
		4.4	1 Senior civil engineering technician specialized in survey or senior technician in survey (GCE A Level + 2) + 5 years of experience or equivalent		
	5. Personal technical equipment and logistics	5.1	1 Lifting device (truck crane, bucket truck.)		
		5.2	2 Cable Tensioners (Frog)		
		5.3	2 Cable pullers (pulls hard)		
		5.4	3 Tellurometers		

CATEGORY	CRITERIA	SUB-CRITERIA		YES	NO
B		5.5	2 GPS		
		5.6	1 Theodolite		
		5.7	1 Grounding device in short circuit		
		5.8	1 generator		
		5.9	2 crimping pliers		
		5.10	4 Hand drills		
		5.11	2 Mobile hoists		
		5.12	2 soldering stations		
		5.13	4 Electric grinding wheels		
		5.14	Air compressor		
		5.15	1 Manual compactor		
		5.16	4 Decametres		
		5.17	3 liaison vehicles (4x4)		
		5.18	2 2 Concrete vibrators		
		5.19	1 Backhoe loader		
		5.20	1 Tracer table		
		5.21	Office area greater than or equal to 200 square metres		
	6. Level of compliance with QHSE standards	6.1 Profile of staff	1 QHSE manager (GCE A Level + 2 in Quality/Hygiene/Safety/Environment)		
		6.2 Equipment and logistics	6 packs of personal protective equipment (helmets, hearing protection helmets, face shield, jumpers, safety shoes, gloves)		
			1 pack of collective protection equipment (triangle, cones, marking tape)		
			1 Internal Infirmary or an existing agreement with a medical centre or a contract with an occupational medical doctor		
		6.3 Organisation put in place	Existence of a hygiene and safety committee which is operational and regulation-compliant		
			Holding of a register of medical checks		
	7- Level of compliance with the labour legislation in force in Cameroon	7.1	Third party liability insurance		
		7.2	Official report of the election of staff representative		
	8. Maximum amount of contracts for which the company may bid	8.1 Threshold	20 billion		
	2. Experience in the provision of services concerned	9.1	Reference for a similar contract of an amount of not less than 600 million CFA F or two (2) contracts with a combined value of not less than 800 million CFA F within the last ten (10) years		

CATEGORY	CRITERIA	SUB-CRITERIA		YES	NO
C	1. Activity sector	1.1	<i>All interior electrical installations works: Realization of the interior electrical networks in public buildings including a booth; installation of laboratory rooms and hospitals; realization of the interior electrical networks in buildings of height lower or equal to R + 10 or structures less than or equal to 100 offices, installation of the emergency generators (power inferior or equal to 1000 kW) with manual or automatic changeover; installation of power inverter networks less than or equal to 100kw.</i>		
	2. Administrative situation (cf. CNPS document)	2.1 Number of employees	Between twenty-one (21) and one hundred (100) employees
